CITY COUNCIL MEETING OF: OCTOBER 21, 2009

Minutes:

MAYOR PRO TEM REESE declared the Public Hearing open.

GEORGE GARCIA, 1711 Whitney Mesa Drive, appeared on behalf of the applicant. He thanked COUNCILMAN BARLOW for the time spent finding solutions to the various issues. He remarked that the signs will be properly permitted and with regard to the tire storage, an enclosure will be constructed, matching the color, materials and architecture of the existing building. MR. GARCIA confirmed that within six months, the applicant will return to ensure that all requirements have been met.

TODD FARLOW asked whether both signs were in compliance with code. Responding, MARGO WHEELER, Director of Planning and Development, verified that Condition 3 of the Required Review addresses illegal signage; however, as read for the record, MS. WHEELER modified the condition to include that all signs must be permitted within 30 days of City Council approval or be removed.

COUNCILMAN BARLOW reconfirmed with MR. GARCIA that the applicant is acceptable to building the additional structure to be used to store tires. MR. GARCIA replied that his client understood the Councilman's concerns and is agreeable. At the request of COUNCILMAN BARLOW, MS. WHEELER read the added condition relative to the tire storage structure.

COUNCILMAN BARLOW recommended a review period of six months to enable the applicant to comply with the added condition. MR. GARCIA replied that he has communicated with the applicant who is fully aware of the consequences should the conditions not be met.

COUNCILWOMAN TARKANIAN remarked that in addition to looking at the signage and tire storage structure, Council would also be looking at the banners that are displayed.

MAYOR PRO TEM REESE declared the Public Hearing closed.
